

Source of information

Mojaz service receives its information from the relevant authorities, which achieves the credit of this information and prevents manipulation. It should be noted that there is a possibility of not registering every accident or damage that happened to the vehicle inquired about, due to not reporting it to the relevant authorities, a fault in registering information at the relevant authorities, or canceling or changing information after issuing the report. We recommend conducting a vehicle inspection by an independent mechanic and matching the results with the information presented in this report.

Terms and conditions of using "Mojaz" service

First: Definitions:

"Mojaz" or "Mojaz Service": is a service provided for companies or people willing to buy or sell used vehicles inside the Kingdom of Saudi Arabia. The service provides a detailed report about the history of the vehicle since arriving to the Kingdom until the last person who owned it and the number of people who previously owned and used it as well as many other important details.

"The client": The direct client who submits the inquiry about the used vehicle condition to get the report of Mojaz service.

"Elm": Al-Elm information security, which owns and provides "Mojaz" service.

"Competent Authorities": the courts, judicial bodies or any judicial authority inside the Kingdom of Saudi Arabia.

Or "Relevant Authorities": All government or semi-government authorities, which is specialized in providing this service or its data is relied on for providing the service like the Ministry of Interior, Ministry of Trade or any government authority concerned with the service.

Second: Terms and Conditions:

1. The client acknowledges that the report of Mojaz service is a guiding tool through which the condition of the vehicle is evaluated and its registered history at the relevant authorities is identified. The vehicle report issued by Mojaz service is not a recommendation in any way to buy the vehicle or not. The client also acknowledges that it is his responsibility to take any selling or buying decision.

2. Elm does not guarantee the quality, accuracy, time and completion of any information of Mojaz service, or the content of the reports issued by the service at any time, where the role of Elm is to transfer data and information according to its sources. The reports of Mojaz service may not include all information and transaction conducted on the vehicle in case it was not registered at the relevant authorities or for any other reason.

3. The client acknowledges that Elm, data source authority and relevant authorities do not take any responsibility (whether contractual, civil or any other responsibility) for any losses or damages resulting from using Mojaz service, the reports issued by it or its content (including losses and damages caused by negligence). Therefore, the client clears the responsibility of Elm, data source authority and relevant authorities for any damages or violations resulting from using Mojaz service or the reports issued by it.

4. It should be considered that the condition of the vehicle in this report might have been changed after the date of issuing the report.

5. The client pledges that he has the approval of the vehicle owner (or who he authorizes) to inquire about the vehicle data viewed in this report, and he takes all responsibilities resulting from violating this term. Elm is entitled to request what proves the compliance with this term.

6. The client pledges to use this report for personal purposes only, in accordance with the main objective of Mojaz service indicated in the first item of the terms and conditions of using the report.

7. The client pledges to maintain the privacy of all information presented in this report, and not to misuse, sell or distribute it in any way. In case of violating this term, Elm will be entitled to obligate the client to pay all compensations for any damage or loss resulting from this violation, in accordance with the regulations of the Kingdom of Saudi Arabia. In addition, the client shall bear all fines issued against him by the competent authorities.

8. This report contains important information, which shall not be used except for the intended purposes.

9. The terms and conditions stated above in this report is valid even after the expiry of this report.
